

Self-Review: Meal Counting and Claiming System

Annual review for accuracy of the Point of Service system at each school under jurisdiction of the SFA.

Complete before FEBRUARY 1 each school year.

The purpose of this review is to ensure the site's claim for reimbursement is based on an acceptable meal counting system that yields the actual number of reimbursable free, reduced-price and paid breakfast and lunch meals served for each day of operation.

If any of the questions below are answered "NO," the SFA must ensure the school implements corrective action and conduct a follow up on-site review to determine if corrective action resolved the problem(s) within 45 days. Documentation of corrective action and follow up should be recorded at the end of this form.
